

# Color For Cash

We, at KanOkla's First Look, realize that Kansas' and Oklahoma's greatest asset are its children. Therefore, we would like to highlight the talents of these budding young artists by inviting your child to color a picture of their favorite season, activity, hobby, family member, etc. The KanOkla First Look Directory will include randomly selected colored pictures to be featured in the Yellow Pages section of its **April 2009 issue**.

- **All children who submit a picture will be entered into a random drawing for two \$50 cash awards.**
- **The teachers of the winning students will also receive \$50.**

Please return by November 7th, 2008 with your payment or drop it by the KanOkla office.
